

Otter Bay Academy

Rachel Noll

Otter Bay Academy

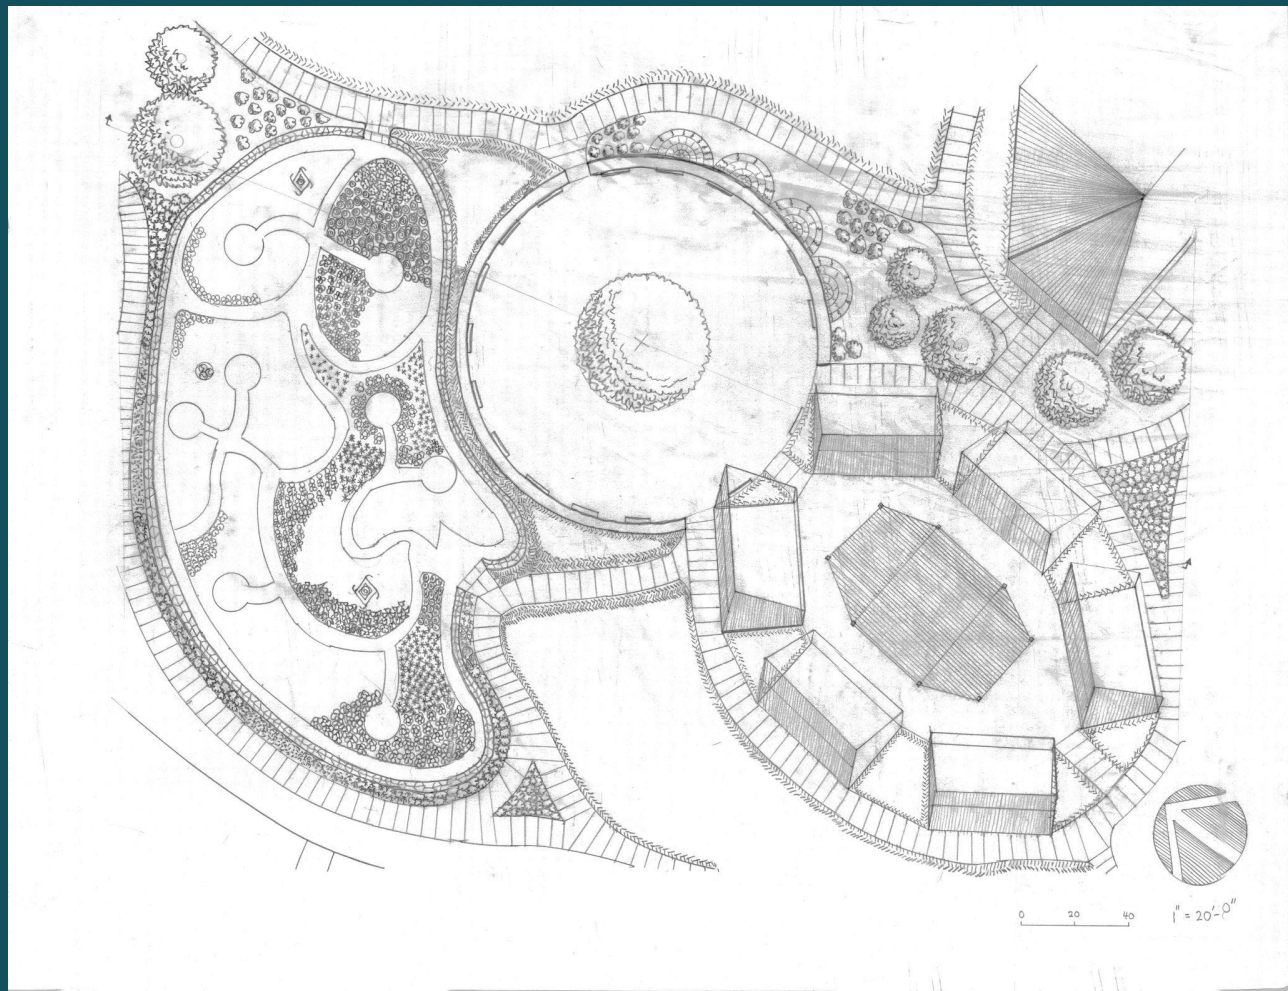

- Beautiful ocean views of the California coastline
- Tremendous educational opportunities for K-5 students
- Public use spaces including amphitheater, cafeteria/auditorium, open walkways, sports utilities, and a sensory garden
- Enclosed kindergarten area with classroom, play equipment, turf, and paved area
- Secondary classrooms make use of natural daylighting, preserving wall space for teachers' use
- Farm and garden activities fully integrated into the school curriculum
- Fully equipped art studio for student engagement
